## 2019 Sponsorship Information

## What is An Evening of Hope?

An Evening of Hope is a fundraiser benefitting the American Cancer Society. This event was created to provide a venue to educate individuals and raise funds for programs and services that benefit cancer patients and their caregivers throughout the community. The evening will include dinner, silent auctions, raffles and more to raise much needed funds.

The evening will also include the presentation of the Hope Takes Flight Award which celebrates an unsung hero who has provided so much hope for those battling cancer throughout our community.

## Where does the money from this event go?

Money raised from An Evening of Hope helps fund programs, such as Road to Recovery\*, and services, like [www.cancer.org](http://www.cancer.org), 1-800-227-2345, Hope Lodge\*\*, and free wigs, give hope to those diagnosed with cancer and provide a level of support for their caregivers.

The money raised at An Evening of Hope also helps to fund cancer research. The American Cancer Society is second only to the Federal Government in the funding of cancer research — funding researchers who do not qualify for federal funding but who show promise in their area of research. Since the start of the organization, the American Cancer Society has funded 47 Nobel Prize winning researchers.

Your connection to the American Cancer Society can generate a more positive corporate image, improve customer loyalty, and increase sales potential. We continue to be a leading, trusted source for cancer information, with 93 percent aided brand awareness among consumers.\*\*\*
